ABOUT ME

👋 Hi I'm Dani!

🕐 I'm 21 years old.

📌 I'm from Madrid, Spain.

🏃 I'm currently studing computer science engineering at Universidad Europea in Madrid.

🙇 Ever since I can recall, I have consistently carried a computer with me, fueling my passion for technology.

🌱 I really enjoy turning complex problems into simple, beautiful and intuitive designs.

🧑‍💻 I love learning about new technologies that allow me to develop apps and programs to help other people around the world.
